CALIBRATION/ REPAIR TERMS & CONDITIONS

Master Gage & Tool Co. provides repair and calibration services for customers. All prices are F.O.B. shipping point unless specified otherwise, and payment terms are net 30 days. Master Gage & Tool Co. reserves the right to correct clerical errors; all material in stock is subject to prior sale. All claims for shortages and damages must be received by the company within five days from receipt of goods. Master Gage & Tool Co. shall not be liable for any delay in the delivery or shipment of goods caused by circumstances beyond its control. The company's Limitation of Liability can be found on its website at www.mastergt.com. The minimum order amount for calibration is **\$25.00**, and customers must provide all necessary contact and shipping information. Master Gage & Tool Co. will send a written evaluation and quotation after receiving the customer's items, and the customer must respond within **30 days**. If the customer cancels a repair service, a cancellation fee will be charged based on the vendor and equipment. Master Gage & Tool Co. will make every effort to provide an accurate turnaround time estimate, but it may be affected by outside circumstances. Once the calibration or repair is complete, the item will be shipped or delivered to the customer at the customer's expense.
